Location: A pair of twin sisters from a human realm and an elden lord govern a distant realm. One day, the sisters were brutally assassinated, and the lord has disappeared. One day, you were born, and the sisters' powers passed on to you. If the gods are good to you, you will become the new lord of a land called "the Lands Between." If the gods are bad to you, you will become Tarnished, an ugly, ferocious elden lord who lost his identity. What will you become? Players: You can select from 4 different races: humans, elves, dwarves, and gnomes, and 2 genders: male and female, to create your own character. Development Team: NaNoWriMo award winning author with a long history of experience writing various action RPGs in the Mana series. Design: Working together with the R-Type director who served as the designer of the famous R-Type 4 on Saturn. Release Date: July 14, 2018 FEATURES 1. A Vast World Full of Excitement An endless world built from a 2D top down perspective, where you can freely travel through a map where horizontal and vertical geography are seamlessly connected. An extensive menu that can be freely explored allows you to freely check out the state of the world. 2. Create Your Own Character In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. 3. An Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. 4. Unique Online Play that Loosely Connects You to Others In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others. 5. An Action RPG Full of Drama, Excitement, and Surprise Continuously updated with new story elements with a live content update system, where new stories are constantly appearing. In addition to the new story elements, various updates will continue to be applied. A variety of ways to interact with other characters, including battles, one-on-one du
